British Skittles Championship Competition;

The club has agreed again to make the alley available for the British Championships this summer; this may involve rearranging the odd game to a Friday.

If this does happen then teams will be given good notice.

Eight teams have again entered this year; each game consists of six players playing six legs each. The team with highest score will receive two points; if the game is drawn then one point will be awarded to each team.

Any team cancelling a game that cannot be rearranged to the satisfaction of the opposing team will forfeit the points to that team but each team will receive their end of season pin average.

Players register to play by signing the playing card on the night. There is no limit to the number of players a team can register but each player can only play for one team.

To help in the event of a team being short we have decided to allow pool players who will be made up from the bar staff, they can play for any team, their score will count for the team score but will not be eligible for any individual prizes.

Each player will pay 50p per game to play; all proceeds are used to fund the running of the league for things like Trophies, Prizes, Raffle and Buffet etc on Presentation night. (Accounts Available)

The team with the most points at the end of the summer will be deemed the winners; in the event of a tie the highest average pin score will determine the winner.

Trophies and prizes can be won on presentation night. (Schedule to be emailed out when date finalised).

The First named team on the fixtures list will be deemed the Home team, they will Roll first, be responsible for filling in the Score Board and the Score Card, they will ensure the card is filled in correctly and that the playing fees are collected and both are handed to the bar staff at the end of the game in the envelope provided.

[In the case of any dispute the decision of Kim or Les will be final](#)

All Results will be placed on the notice board next to the skittle alley and on the club website in the social events section.

Presentation/ Fun Night; Details to follow.

Again this year we would encourage people to wear a fun top, tea shirt or shirt with a funny saying etc.

Prize is available on the night.
