SECOND TEAM OF TWO (Two best Fish by each angler)	Team AB Danny Dagger Toni Bolsworth Teignmouth SAS	Wrasse 77% Red Gurnard 78%	Total	173.45%

Notes:- The 31st Small Boats Festival was held in sunny weather although an easterly wind on day one restricted the boats to within the Bolt Head to Prawle point Section but on day two the wind dropped which enabled the boats for the third year running to fish the outer section (1 mile offshore) and to visit the ray marks.. The event was a success well supported by local and visiting anglers and some good fish were caught although not the larger species as expected.

The organisers the Wyvern Division of the newly formed Angling Trust are very grateful for the support of the Main Sponsors, Lowerance Marine Electronics who are part of the Navico Croup, Boat Fishing Monthly, Bonwitco Boats and Wills Marine of Kingsbridge who supplied the Stewards Boat and the other sponsors, Quay Stores, Torquay, Torbay Angling, Tackle & Bait, Plymouth, Sea View, Plymouth, Clives, Plymouth. In addition, the Salcombe Harbour Office of the South Hams District Council and the RNLI assisted in enabling the Division to run this event. .

The prizes in total were to the value of over £2000. The entry of 102 Competitors in 37 boats had travelled from many parts of England and Wales, and these included, Kent, Essex, Gloucester Bristol and Southampton and a contingent from the Porthcawl Boating and Fishing Club who are regular visitors. The fish caught included Blonde Rays, Small Eyed rays, Mullet, Wrasse and Cuckoo Wrasse along with other species, Triggerfish, Pollack, Plaice, Gurnard, Garfish, Mackerel and Golden Grey Mullet. Prior to the presentations by Francis Wills representing Bonwitco Boats, David Rowe on behalf of the organisers thanked the competitors who had supported the Festival, and confirmed that any money raised after expenses would be ploughed back into the next years event, with any surplus being used to help the Division to carry out its work on behalf of all anglers.

THE DATES FOR THE 2011 WILL BE ANNOUNCED SHORTLY : ENDS:
