## The Anglers Six a Side Fun League

Welcome to The Anglers 2018 six a side summer skittle fun league, as we have Joe's Wednesday evening quiz returning this summer, {if you like a quiz it is well worth popping down} we have decided to stick to the six teams with a chance of an extra two points over your nearest competitor with the games wk.com 13<sup>th</sup> August. Details of the presentation evening on Saturday 25<sup>th</sup> August will be sent to you in due course.

### **British Skittles Championship & Football World Cup Competitions;**

**Due to the above events this may involve me rearranging the odd game to a Friday.  
If this does happen then I will give teams notice as soon as I know.**

### **Rules::**

Each game consists of six players each playing six legs each.

The team with highest score will receive two points; if the game is drawn then one point will be awarded to each team.

Any team cancelling a game that cannot be rearranged to the satisfaction of the opposing team will forfeit the points to that team with each team receiving their end of season pin average.

Players register to play by signing the playing card on the night. There is no limit to the number of players a team can register although each player can only play for one team.

To help in the event of a team being short we have decided to allow pool players who will be made up from the bar staff, they can play for any team, their score will count for the team score but will not be eligible for individual prizes.

Each team pays £3 per game to play; {50p per player} with all proceeds funding the running of the league, things like Trophies, Prizes, Raffle, Buffet etc on Presentation night. (Accounts Available)

The team with the most points at the end of the summer will be deemed the winners; in the event of a tie the pin average will determine the winner.

The **First** named team on the fixtures list will be deemed the **Home** team, they will **Roll first**, be responsible for filling in the **Score Board** and the **Score Card**, they will ensure the card is filled in correctly and that the playing fees are collected and both are handed to the bar staff at the end of the game in the envelope provided. This ensures things are shared equally.

**In the case of any dispute the decision of Les will be final**

All Results will be placed on the notice board next to the skittle alley and on the club website in the social events section.
