Hereby Apply for Sporting Membership of Paignton Sea Anglers Association

I understand that "SPORTING" membership is not the same as "FISHING" membership and does not confer to me the right to enter the various angling competitions organised by the Association.

Sporting Membership is only valid for the Association year in which membership was granted.

A sporting member can only renew their membership if they are still registered to a sporting team at the time of renewals.

I understand that if I falsify the information on this form, it may result in my disqualification from membership of the Association.

I agree if my membership is accepted, to pay the annual subscriptions and will accept the objectives and rules of the Association.
